**Rotary Club of Columbia & the Rotary Foundation**

**STATUS REPORT – Month and Year**

**For the Month of May 2015**

**I. Details of Maanasi Projects-Outreach and Follow-up work details**

**Table A. Outreach work details of Health workers**

| Sl. No | Name of the health worker   | No of villages | No of patients visited | Total distance |
|--------|-----------------------------|----------------|------------------------|----------------|
| 1      | Smt. Ushadevi-Independently | 2              | 10                     | 17             |
| 2      | Smt. Gowramma-Independently | 1              | 12                     | 19             |
| 3      | Villages visited together   | 35             | 159                    | 467            |
|        | Total                       | 38             | 181                    | 503            |

**Table B. Outreach Operations details of Health workers**

| Sl. No | Name of the health worker   | No of Follow-up visits made | Follow-up checklist data entered |
|--------|-----------------------------|-----------------------------|----------------------------------|
| 1      | Smt. Ushadevi-Independently | 5                           | 5                                |
| 2      | Smt. Gowramma-Independently | 8                           | 4                                |
| 3      | Villages visited together   | 140                         | 19                               |
|        | Total                       | 153                         | 28                               |

**Table C. Number of Defaulted patients contacted and Retrievals made**

| Sl. No | Name of the health worker   | Defaulted cases contacted | Defaulted cases attended clinic (retrieval) |
|--------|-----------------------------|---------------------------|---|
| 1      | Smt. Ushadevi-Independently | 5                         |   |
| 2      | Smt. Gowramma-Independently | 6                         |   |
| 3      | Villages visited together   | 27                        | 5   |
|        | Total                       | 28                        | 5   |

*Note: A Default case is a patient registered in Maanasi and prescribed medicines at least for 7 days and has subsequently not attended clinic within in the last 6 weeks (from point of registration)*

**Table D. Number of registered patients who have completed suicide, para-suicide (uncompleted or attempted suicide), refusing to follow-up at Maanasi clinic from among those who have been contacted (as per details under table A and B)**

| Sl. No | Name of the health worker   | Defaulted cases contacted | Defaulted cases attended clinic (retrieval) | Refusing to follow-up at Maanasi |
|--------|-----------------------------|---------------------------|---|----------------------------------|
| 1      | Smt. Ushadevi-Independently | 5                         |   |                                  |
| 2      | Smt. Gowramma-Independently | 6                         |   |                                  |
| 3      | Villages visited together   | 27                        | 5   |                                  |
|        | Total                       | 38                        | 5   |                                  |

**Table F. Number of Patient Group meetings conducted and number attended**

| Sl. No | Name of the village where meeting conducted | No Patient group meetings conducted | Number of participants |
|--------|---|-------------------------------------|------------------------|
| 1      | Neriga                                      | 1                                   | 50                     |
|        | Total                                       |                                     |                        |

## II. Consolidated table of Details of Maanasi Projects-Outreach and Follow-up work details

| Sl. No  | Details                     |                                     |  |                          |  |
|---------|-----------------------------|-------------------------------------|--|--------------------------|--|
| Table A | Outreach work               | Total no of villages                | No of patients visited                       | Total distance travelled |  |
|         |                             | 38                                  | 181  | 503                      |  |
| Table B | Outreach operations         | Total no of Follow-up visits made   | Total no of Follow-up checklist data entered |                          |  |
|         |                             | 153                                 | 28   |                          |  |
| Table C | Default and retrieval cases | Total no of Default cases contacted | Total no of Default cases attending clinic   |                          |  |
|         |                             | 38                                  | 5  |                          |  |
|         |                             |                                     |  |                          |  |
| Table F | Patient Group meetings      | Total no of meetings conducted      | Total no patients attending meetings         |                          |  |
|         |                             | 1                                   |  |                          |  |

## III. Details of the Maanasi Project's Clinic and other medical operations

**Table A. Patient turnout during the Month of May 2015**

| Date of Clinic | Old cases | New cases | Total |
|----------------|-----------|-----------|-------|
| 01-05-15       | 2         | 0         | 2     |
| 08-05-15       | 30        | 1         | 31    |
| 15-05-15       | 23        | 1         | 24    |

|          |    |     |    |
|----------|----|-----|----|
| 22-05-15 | 20 | 1   | 21 |
| 29-05-15 | 10 | nil | 10 |
| Total    | 85 | 3   | 88 |

**Table B. Details of Old cases attending clinic in May 2015**

| Date of Clinic | Default cases | Regular cases included or to exclude newly registered cases | Total |
|----------------|---------------|---|-------|
| 01-05-15       |               |   |       |
| 08-05-15       |               |   |       |
| 15-05-15       |               |   |       |
| 22-05-15       |               |   |       |
| 29-05-15       |               |   |       |
| Total          | 5             | 88  |       |

**Table C. Details of patients either facilitated or referred to other specialty clinics or higher center in may 2015**

| Date of Clinic | Within CHTC, Mugalur specialty services@ | Outside referrals | Total |
|----------------|--|-------------------|-------|
| 01-05-15       |  |                   |       |
| 08-05-15       |  | 2                 | 2     |
| 15-05-15       | 1  | 1                 | 2     |
| 22-05-15       | 2  |                   | 2     |
| 29-05-15       | 1  |                   | 1     |
| Total          | 4  | 3                 | 7     |

Note: @ means Eye- Ear-Snr CTZ-Ob-Gyn-Skin-Ortho-Pead-Lab-Surg-OPD

Note: doctors need to be supplied with tally sheet mark at individual consultation tables

**D. Total Number of Registered patients till date:**

**Table E. Cost of Drugs dispensed and concessions offered**

| Date of Clinic | Cost of drugs dispensed | Amount collected from patients | Concession offered |
|----------------|-------------------------|--------------------------------|--------------------|
| 01-05-15       | 94                      |                                |                    |
| 08-05-15       | 4473                    | 3808                           | 665                |
| 15-05-15       | 1612                    | 1542                           | 70                 |
| 22-05-15       | 1352.5                  | 1031.5                         | 321                |
| 29-05-15       | 662                     | 324                            | 338                |
| Total          | 8193.5                  | 6705.5                         | 1394               |

**Table F. Consolidated table of Details of Maanasi Project's Clinic and other Medical operations**

| Sl. No  | Details        |           |           |             | Remarks if any |
|---------|----------------|-----------|-----------|-------------|----------------|
| Table A | Maanasi weekly | Old cases | New cases | Total Cases |                |
|         |                | 85        | 4         | 88          |                |

|         | clinic                         |                                |   |                                    |  |
|---------|--------------------------------|--------------------------------|---|------------------------------------|--|
| Table B | Old cases details              | Total no of Default cases seen | Total no of Regular cases seen (excluded newly registered cases)??? | Totals cases seen in the month     |  |
|         |                                | 5                              |   | 88                                 |  |
| Table C | Referred cases                 | Referred within CHTC           | Referred to outside centers   | Total referred cases for month     |  |
